MEMORANDUM FOR:

THROUGH : Contracting Officer

SUBJECT : Size of Cases to be Used for Film
Shipping Purposes

The flow of exposed film from the detachment to Eastman Kodak
(as presently envisioned) will require a minimum of six (6) handlings.
Therefore, if it is possible to influence the design of these cases,
it is requested the following be used as criteria:

Size - Approximately foot locker or trunk dimensions

Weight - 100 - 150 pounds preferred.
